Stand Up Comedy shows anywhere... FREE for VETERANS and CHARITIES.

Arizona Lou travels across the US and around the world doing free benefit stand up comedy shows for charities and for veterans to show his appreciation for what they have done for our country.

He was told that he was too old to make people laugh. When you see his show, you will realize how wrong they were! You may have seen him at: Tempe Improv, Gotham Comedy Club, Laugh Factory, The Comedy Palace, Harrah's Showroom, America's Got Talent or The Comedy Zone. Lou has taken his unique comedy style of dealing with life, being old, being active... and still being alive, to audiences of all ages in all 50 states and Washington, D.C. plus five countries. A retired science teacher, he figures at 80, he doesn't have time... "to kill..." so has been busy, with more than 1,270 appearances before live audiences totaling over 33,000... all in eight years. Get ready for hilarious laughs and feel-good entertainment.

Every year Lou drives a minivan on his NATIONAL VETERANS APPRECIATION TOUR.

His website (arizonalou.com) contains his tour schedule, resources, references, recommendations, his Press Kit with publicity tools, more videos etc.

Book Lou by phone; text; email... or you can Google, "America's Favorite Old Man"

Lou continues to travel, at his own expense, for his performances almost anywhere. This is his way of staying active, having fun and showing appreciation.

"Retired life's tough, but somebody's got to do it" is Lou's first Louism
